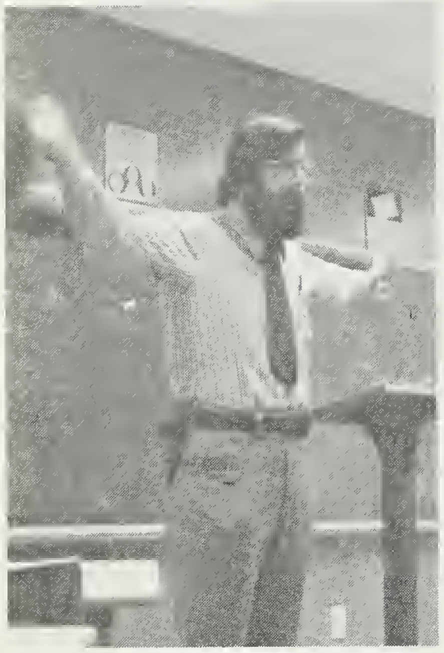
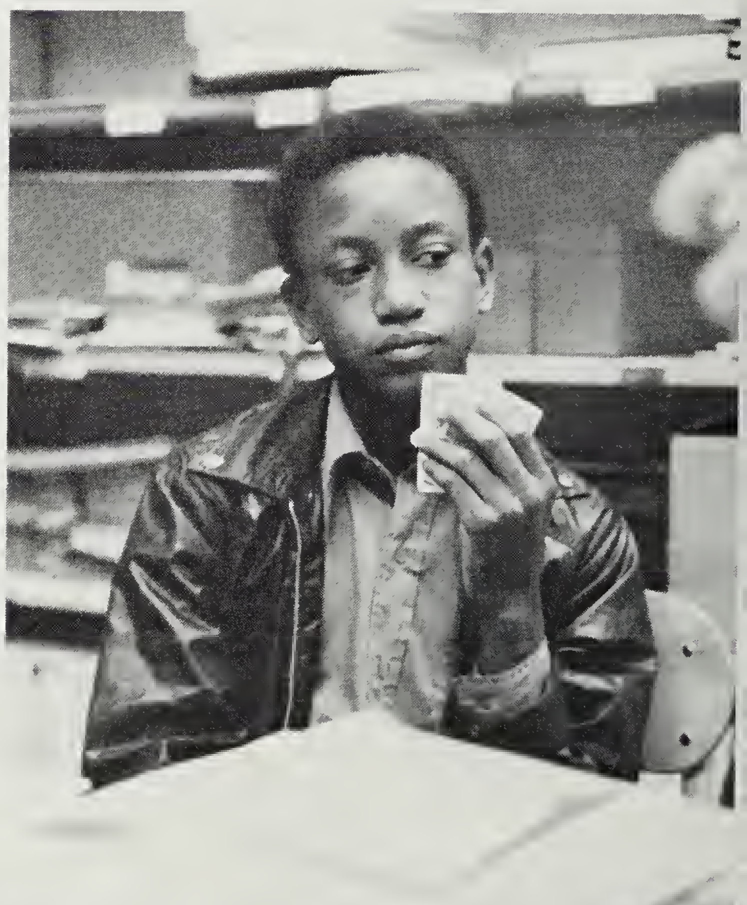
TIME TO ORDER YOUR GRADUATION ANNOUNCEMENTS





For some of us, it was an end,
For others a beginning . . .
For all of us it is a memory.
But to those of us on the Cavalier Staff,
It was this book . . .
To us, THESE WERE THE WEEKS
THAT WERE!!

Each minute, each hour, each day, each week of our work, tedious practice and combined effort . . . Each of us working toward a goal . . . sometimes succeeding, sometimes failing . . . All for the satisfaction of the final moment of achievement and the feeling of triumph resulting from the fruits of our own efforts. Eventually a goal is reached. If we are alive, each goal should be only a stepping stone to others beyond . . . During these weeks we have taken our first steps.

We learn, not only from our textbooks and our teachers, but also from each other. We have experienced a great deal together this year; perhaps as much as we have experienced as individuals.

As each new day begins, we will remember the guidance shown to us by the teachers. We will look back, remembering our past experiences, and these experiences will help us make many of our future decisions. But when we look back we will not only remember our experiences, but these weeks. Yes, THESE WERE THE WEEKS THAT WERE ! ! !

"HOMECOMING 1972"

As every year, Homecoming has been a great rivalry between classes. The competition was really tough and everyone worked to their capacity.

Homecoming week came to a climax on the afternoon of Friday, October 27. Winners of Spirit week were announced. The Seniors ran away with first place, Sophomores, second, Juniors, third and Freshmen, fourth.

On Friday night, the Dukes charged forward against the Pointers of West Point but their efforts were in vain. In the first few minutes, the Pointers made a 70 yard drive which set them up in perfect field position. Then, they went in for the first touchdown of the game.

During half-time, another battle raged not between teams but between classes. Members of each class began slaving on their floats on Monday, October 23. Who would have guessed that by Friday these "Objects of Art" would be finished?

The Juniors took first place with their theme "Run'em through the Mill". Next were the Sophomores with "Pulverize the Pointers" and third was taken by the Freshmen with "Pickle the Pointers". The Senior Class came in last place with their theme "Smoke the Pointers".

The festivities soon came to an end and it was the beginning of the third quarter.

The third quarter started with a West Point touchdown. The Big Red Machine came back in the third quarter and got to the Pointers 27 yard line. But then, the Dukes just just couldn't hit. Gloucester fumbled, West Point recovered, but failed to score even with the break.

In the beginning of the fourth quarter, Gloucester came to the 17 yard line but couldn't push any further. In the closing minutes of the game West Point made another touchdown. The final score was West Point 24-Gloucester 0.

Homecoming 1972 came to an end with a dance in the gymnasium with music by the Soul Explosion . .

Senior Vs. Faculty Basketball

Soon the gymnasium was full, and the game was ready to begin. On December 19th, the annual Senior-Faculty basketball game took place. The driving force of the administration was just too much for the Seniors. In the past, the faculty has always come out on top, this year was no different. The final score was a close 39-38, faculty winning.

Regional Choir

For the second year, Gloucester High School has participated in District I Regional Choir. The best vocal students were chosen to spend the weekend of February 16-18, in Richmond. After much practice, the concert was given at Thomas Jefferson High School. Try-outs were held for All-Virginia Choir on February 17, 1973. Despite tough competition, two students from Gloucester, Renee Johnson and David Byrd, made it.

These students went to Kecoughtan High School on Friday, Saturday, and Sunday, February 2, 3, and 4 to practice with the bands. Both bands gave a concert that Sunday afternoon.

GRADUATION '73

The class of '73 began graduation exercises with great expectations of receiving their hard (or not so hard) earned diplomas. There were no signs of tears, only the joy of knowing that their twelve long years were finally over.

The work has been hard and the good times fun, yet as June draws near, that hard work and those good times seem more precious.

As each of us recieves our diploma, these times will be of the past. Everyone will leave and forget these times we shared together. Yet, there is something all of us will have in common--we are the CLASS OF 1973.

On August 10, 1972, forty-eight players reported for the opening practice of the 1972 football season.

Key injuries the week before the opening game made it necessary to make personnel change which affected the game plan considerable. Therefore, the Dukes lost their season opener. It seemed as though Gloucester was going to have a tough season. After playing the next four games, Gloucester had brought their record to 2-3.

KICK-OFF!!!!

Injuries continued to plague the Big Red Machine. By the middle of the season, the team had dwindled to a mere 26 members.

Soon things began to tick and Gloucester won four out of its last five games. This brought the Dukes to 6-4 and the first winning season for Gloucester High in a long time.

In the Peanut District, Field Hockey does not rate very highly. But, then again, neither do any other girls sports. Participation in our district is very sparse. Therefore, forcing our team to play out of our district.

This year was a building year for Gloucester's team. With only two veteran players, the season went slowly. Gloucester participated, as it does every year, in the Tidewater Field Hockey Tournaments which are held annually at the College of William and Mary in Williamsburg.

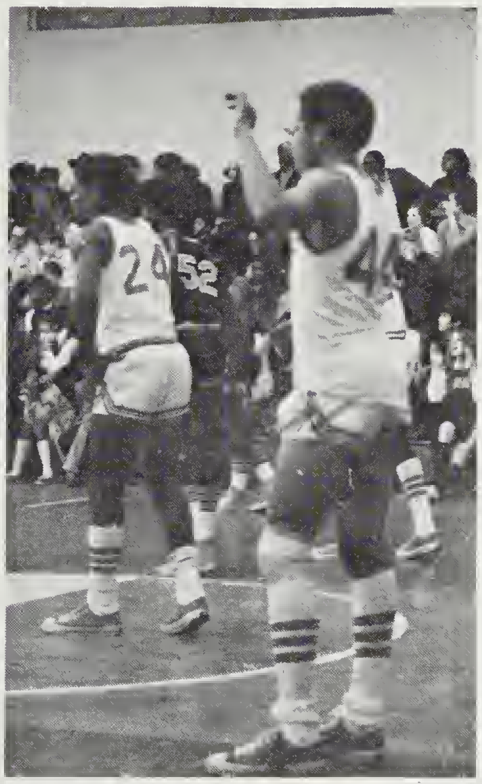
JUMP BALL . .



Waiting for the Basketball . .

This year Coach Jim Coley had a limited supply of boys, just enough to make the roster. This didn't stop the mighty Dukes.

Gloucester High opened its regular season with a victory over Smithfield. This was a very impressive win. Yet, between the opener and Christmas break, Gloucester had lost four straight games. Therefore, leaving them with a 1-4 record.

Movin' In!!

With a change in the Gloucester line up after Christmas break, the Dukes began to put it all together. They came out of their slump, winning two out of three games. They ended their regular season with a 10-10 record, just barely making it to the tournaments.

At the start of tournament action, Gloucester was in seventh place, but that was soon to change. The Dukes beat John Yeates, 54-52, to move into the semi-finals. This next game, against Northampton, was extremely tough as they lost 51-42. Following this Gloucester was Third in the Peanut District Tournaments.

Junior Varsity

Basketball

Inspite of a 7-10 record, the J. V. Basketball team could still call the 1972-'73 season a successful one. With almost half of the team up of ninth graders, the developing talent and desire seemed to grow with each game. In fact, during the second half of the season, the team suffered two losses by one point and another one by two points. While the breaks didn't always go the right way, one highlight of the seaon was the fact that by tournament time four J. V. players were on the Varsity squad. The potential was there, and with that experience now put away for future reference, the future for Basketball in Gloucester looks very promising.

This was followed by five consecutive victories over Suffolk, Smithfield, Forest Glen, John Yeates, and Southampton. After showing their might to district foes, in regular season play, they took first place in the district tournament. This earned the team the right to go to Mataoca High School, where they placed third.

The team was lead by Senior Emory Nadeau and Freshman sensation, Timmy Poland, who was chosen most valuable by coach Roger Loring. Also staring for the team was Donald Rhoades, Lynn Higgins, and Joe Dishinger. Nadeau is the only graduating golfer, so things look good for next year.

As GHS's season progressed the teams many standouts kept totaling many points. At both theDistrict and Regional meets Jackie Cooper continued to amaze the crowd with his breath taking jumps. Brad Ward also showed everyone in the District his great skill as he became known as the high hurdle speedster. As the season neared an end the GHS Track Team found themselves preparing for the State Meet which was to be held at Virginia Polytechnic Institute and State University in Blacksburg. Too many people think the job of a cheerleader is an easy one. Of the many projects sponsored by the SCA the concert by the York High Stage Band was the most enjoyable.

It is hard to conceive that this year has passed so quickly; I had a lot to learn, a lot of people to meet every day. It was the year of joyous and exciting days.

Of the many experiences I've had in the USA, it is the simple, day-by-day joys that I will remember most. My hopes and desires for the future have been enriched and influenced by this past year; the good times, the happiness, the laughter, everything together has special meaning for me. For all these things, I want to say Thank you to all the people in this school, and community, especially to my American family, Mr. and Mrs. Gilbert Hogge, and my sister Louise.

In Spanish we say "adios" when we say good-bye and "hasta luego" meaning I'll see you later; thus, I do not want to say "adios" but I'd rather say "hasta luego" to all my friends at G.H.S.

Sincerely,

The Interact Club is a service organization sponsored by the Gloucester Club of the Rotary International. The members are elected into the club by the present membership on their character and leadership abilities. The club painted the gym floor this year and will sponsor the District 707 (the largest Interact District in the world) convention in the Chamberlain Hotel in Hampton on April 13 and 14. The Clubs major project this year besides a car bash, will be to sponsor a drive to purchase a Mini-Bus for the smaller clubs in the school to use on trips.

Interscholastic Debate competition requires talent in research, reasoning, and speech delivery. It involves being against or in favor of many difficult and controversial topics. The topic of debate this year was the Federal Financing of Schools. The skill of the GHS Debate team was evident when they won many of the regular competitions, the District Competition and the State Competition. With the win at the Regional meet the team earned the right to go to the State meet at University of Virginia. The Affirmative team placed fifth as John Fayhee earned the most speakers points. This year was the first year which GHS has had the FTA as one of its organizations. The purpose of the FTA is to help the teachers and administration in any-way possible. This year students rendered their services as teachers aides, office and guidance assistants.

FTA members have many responsibilities in their work with the teachers. Among those are making out tests, under the teachers supervision, and then grading the tests. This is valuable experience which aides the future teacher in the knowledge and understanding of the many aspects of the teachers job.

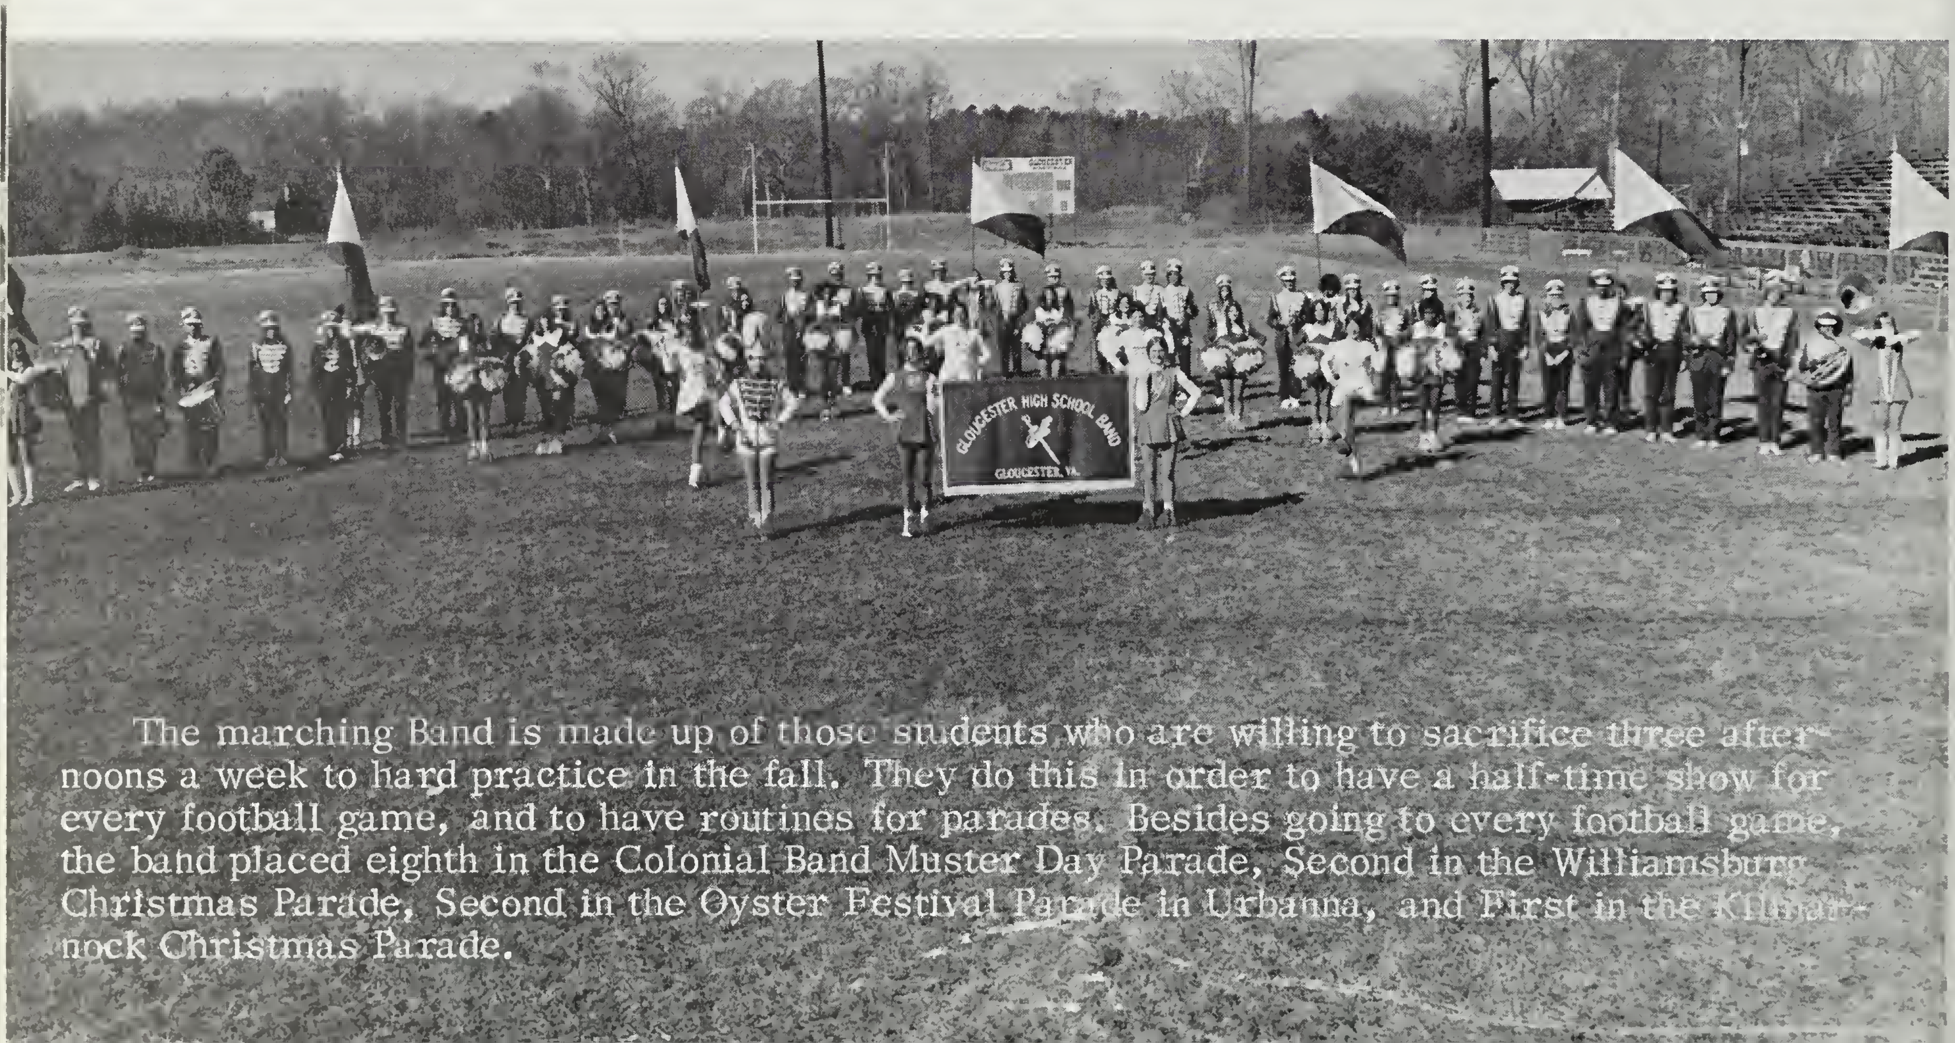
Mr. Morrison and the GHS Marching Band at the Williamsburg Parade.

Typical Band Practice--Disorganized!!!!

Marching



The marching Band is made up of those students who are willing to sacrifice three afternoons a week to hard practice in the fall. They do this in order to have a half-time show for every football game, and to have routines for parades. Besides going to every football game, the band placed eighth in the Colonial Band Muster Day Parade, Second in the Williamsburg Christmas Parade, Second in the Oyster Festival Parade in Urbanna, and First in the Kilmarnock Christmas Parade.

C'mon, sweets, twett those tweeters!

The band also competes in the District 8 Regional Concert Band Festival.

This year is the first year that a Hero Club has existed at G.H.S. Hero is the newest extension of the National Future Homemakers of America Organization. Hero members have the opportunity to combine classroom learning with simulated or on-the-job training experiences. At G.H.S. the members of the Hero's gain their experience by the preparing of lunch in the Copper Kettle for the administration. The Gloucester Chapter of Hero's had the honor of being the first chapter to officiate in the state. They are now the only Hero chapter in the Eastern area.
